## PROPERTY DESCRIPTION:

Phase II of the development at Trident is the exciting addition of new build penthouse pods to the existing three buildings to provide just 8 high specification penthouse apartments with stunning views to the City or across to the distant Cheshire Countryside.

The phase 1 release of 80 apartments converted from a former office building was a huge success with all apartments being sold well in advance of the build completion date, we therefore expect demand for this final phase to be high and an early reservation will be essential in order to secure one of only 8 new build penthouses each with allocated parking space.

The apartments have been designed with creativity and logic using the latest hi tec building materials to ensure energy efficiency. In contrast to the conversion phase the striking zinc effect exterior of the new penthouses complimented by grey ribbon windows make a stylish statement which is carried through to the carefully designed interiors which will be flooded with natural light. Each apartment has two double size bedrooms and some plots have en suite shower rooms in addition to the main bathrooms. The penthouses feature designer open plan kitchens with integrated hideaway appliances so as not to spoil the aesthetic of these stunning entertaining and living spaces. A roof top terrace provides an outdoor entertaining space for the exclusive use of one of the eighth floor apartments (plot 84) and provides a real wow factor with amazing views across the Cheshire Countryside. Views of Manchester City Skyline taking in the Bethan Tower, Old Trafford and other iconic buildings can be enjoyed from the North facing plots.

Located in the heart of Sale town centre, yet in a residential area just off the main A56 artery road, Trident is only a short convenient walk to the town's shopping centre, major supermarkets and the numerous quality café bars and restaurants in the area.

Sale is one of the regions most affluent boroughs and is a great base for commuters, just 5 miles away from Manchester city centre which is easily accessible with a tram service leaving one of Sale's three stations every 12 minutes. The M60 orbital motorway is easily accessed and links into the M56, M62 and M6. Manchester International Airport is just 4 miles away.

Sale is also surrounded by an abundance of local attractions including the Trafford Centre, one of Europe's largest shopping malls and the Chill Factor with its indoor ski slopes and Sky Diving centre. For the sports competitor or spectator there are numerous sports clubs covering football, rugby, lacrosse and athletics to name but a few, and of course Sale Sharks Rugby Club and nearby Old Trafford, home to Manchester United Football Club. Sale Water Park caters for all watersports enthusiasts, in summer the 52 acre lake is busy with everything from sale boats through to jet ski's.
