Unfortunately, many applicants may be unsuitable or unable to meet with your rental standards or criteria. OCB ensures all applicants have the "right to rent" and are most likely to pass our professional and third-party referencing criteria, before committing to a viewing or negotiation.
- 11.2 **Property Viewings:** Flexible property viewing appointments can be offered, including evenings and weekend times. Access is often subject to the permission of the existing tenant, which can be legally refused if the Tenancy has more than 28 days to run. All property viewing feedback is reported to you via our Property Management System.
- 11.3 **Offers & Negotiation:** All offers received for your Property will be submitted to you in writing with supporting information to enable you to make an informed decision, including, the strength and financial position of the proposed Applicant(s). If the offer is at the rental price agreed or above, we will accept such offer on your behalf and take the appropriate deposit and confirm in writing.

12. Tenant Application Assessment

The following Tenant Application Assessment will be implemented by OCB:

- 12.1 **Tenant Application:** At the point of a Tenancy Application, the potential Tenant(s) have been provided with comprehensive Letting Pack enabling them to assess the terms and conditions of the Tenancy before commitment. Equally, OCB will have evaluated initial information provided by the potential Tenant(s) to be assured our professional referencing criteria will be met.
- 12.2 **Right to Rent:** Before a Tenancy begins, The Owner/Landlord and or the Agent has a legal obligation to ensure that any potential Tenant(s) or permitted occupants living at the Property have the right to remain in the UK prior to the commencement of the Tenancy. If they have this right but for a limited time, follow-up checks are required. It is unlawful discrimination to restrict the length of a tenancy and or refuse to grant a tenancy based on the right-to-rent checks, except where some or all of the tenants or occupants have failed the checks. With a combination of our procedures and third-party referencing Companies, at our expense, OCB will ensure that any potential Tenant(s) /Applicants have the Right to Rent, in accordance with current legislation.

More Information can be found at www.gov.uk/check-tenant-right-to-rent-documents.

The rules do not currently apply in Wales, Scotland and Northern Ireland.

13. Tenant Referencing (subject to Owner/Landlord Instructions)

All potential Tenants/ Applicants are referenced by a professional, third-party industry tenancy referencing company. Referencing is chargeable to the Owner/Landlord and as per legislation of 2019.

OCB will obtain references on prospective private tenants and companies. The results of the reference can be made available to the Owner/Landlord upon request and in advance of the start date of the tenancy and provided that the potential Tenants/Applicants consent to sharing their information.

On signing the Tenancy Agreement, the Owner/Landlord or the Owner/Landlord's Agent will be deemed to have seen and accepted any such references collected by OCB on the Owner/Landlord's behalf.

Our Letting Fee does not include any charges or Tenant(s)' referencing nor Company Searches, which may from time to time be required. Company Searches can be carried out by us at the specific written request of the Owner/Landlord who will undertake to bear the costs thereof.

OCB are unable to guarantee the suitability of any Tenant(s), timely rental payment or vacant possession at the end of the Tenancy and cannot be held liable on behalf of the Owner/Landlord.

14. Written and Photographic Inventory

For all property let, OCB will prepare a written Inventory for the Property in a standard format and in accordance with our internal industry approved software. If the Owner/Landlord wishes an existing Inventory to be used, the cost of preparing such an Inventory or the cost of updating and/or re-typing any existing Inventory will be met by the Owner/Landlord.

In addition, to the written Inventory, a photographic Inventory will also be produced and incorporated to the written Inventory to ensure the true condition of the property is visually recorded.

OCB will take care to produce an accurate inventory, but we cannot be held liable for any omissions or errors that may occur. OCB will email a copy of the inventory to the Owner/Landlord once it has been completed.

The cost of providing the Inventory will be covered by OCB.

15. Tenancy Agreement

Unless specifically agreed otherwise OCB will arrange, prepare and draw-up a Tenancy Agreement for signature by the Agent on behalf the Owner/Landlord and the Tenants.

The Tenancy Agreement, unless otherwise agreed, will be a Fixed Term Shorthold Tenancy Agreement (AST) or a Company Let Agreement for a term of six (6) or twelve (12) months. Where-ever possible all Tenancies will be for a 12-month period.

Where the Owner/Landlord instructs OCB to use his own Tenancy Agreement, OCB must be given reasonable time (seven working days) to arrange for the Tenancy Agreement to be approved by its advisers and/or professional and industry regulators. In the event of the Owner/Landlord not being approved, the Owner/Landlord agrees to use the Tenancy Agreement prepared by OCB.

Due to the complexities of arranging a compliant Assured Shorthold Tenancy Agreement, it is recognised by the Owner/Landlord and the Agent that aside from the "Tenancy Agreement" document, the Tenancy is also made of several component documents, but not limited to:

- HM Government "How to Rent" leaflet
- Section 48 Notice
- Section 21 Notice
- Prescribed Information Document
- Right to Rent
- AML Clearance
- Valid EICR
- Valid EPC
- Valid Gas Safety Certificate

OCB will arrange a meeting to attend the Property with the Tenant(s) to commence the Tenancy Agreement and complete a move-in process with the new Tenant(s). The protected bank accounts are set up with the Bank of Scotland and insured by Propertymark Client Money Protection Scheme, nor do they form any part of the assets of OCB.

18.2 The Tenancy Deposit:

OCB will offer two Tenancy Deposit options and at its discretion, to the Tenant(s) and for the Tenancy on the Property:

18.2.1 A **"Physical Deposit"**: legally regulated to a value equal to five (5) weeks rent, to be registered and protected in a custodial scheme, under OCB's account within the Government's authorised organisation, current the Deposit Protect Service ("DPS").

18.2.2 A **"Deposit Bond"**: accepted by OCB with an approved insurance provider, offering a deposit claim value to the sum equal to five (5) weeks rent and subject to the Tenant(s)' agreement of a Deposit Bond payment.

By law all physical private Tenancy Deposits must be registered and protected with a Government Approved Tenancy Deposit Protection Scheme or as an alternative to receiving a physical deposit. A Deposit Bond can be accepted, subject to terms and agreement by the Tenant(s).

18.3 For deposits paid by law, all private Tenancy Deposits must be registered with a Government approved Tenancy Deposit Scheme within thirty (30) days of receipt. At the time of issuing this Agreement, OCB is a member of the Deposit Protection Service for the registering of All Tenancy Deposits. The contact details of the Deposit Protect Service are:

The Deposit Protection Service (DPS)
The Pavilions, Bridgwater Road
Bristol, BS99 6AA

Email: enquiries@depositprotection.com
Telephone No: 0330 303 0033

18.4 Where OCB is instructed by the Owner/Landlord to hold the Tenancy Deposit, we shall do so under the terms of The Deposit Protection Service.

18.5 During the management of your Property with us, we reserve the right to change the arrangements to protect your deposit under any other registered schemes.

18.6 Summary of the mandatory process for returning a deposit (set out by the DPS)

18.6.1 If there is no dispute, on behalf of the Owner/Landlord, OCB will claim any amounts agreed as deductions where expenditure has been incurred on behalf of the Owner/Landlord allowing the DPS to repay the whole or the balance of the Tenancy Deposit, according to the conditions of the Tenant Agreement, to the Tenant(s).

18.6.2 Any payment of the Tenancy Deposit will be made by the DPS within 30 working days of written consent from both parties.

18.6.3 If, after 10 working days* following notification of a dispute to the Agent/Member and upon proof that reasonable attempts having being made in that time to resolve any differences of opinion, there remains an unresolved dispute between the Owner/Landlord and the Tenant(s) over the allocation of the Tenancy Deposit, it will be submitted to the Independent Case Examiner ("ICE") by the DPS for adjudication. All parties agree to co-operate with any adjudication.

* These time scales can be changed by agreement with the Tenant(s) in individual cases or by the contractual obligations as standard by the Agent.

18.6.4 When the amount in dispute is over £5,000, the Owner/Landlord and the Tenant(s) will agree by signing the Tenancy Agreement to submit the dispute to formal arbitration through the engagement of an arbitrator appointed by ICE, although, with the written consent of both parties, ICE may at their discretion accept the dispute for adjudication. The appointment of an arbitrator will incur an administration fee, to be fixed by the Board of The Dispute Service Limited from time to time, shared equally between the Owner/Landlord and the Tenant(s). The liability for any subsequent costs will be dependent upon the award made by the arbitrator.

- 18.6.5 The statutory rights of either you (the Owner/Landlord) or the Tenant(s) to take legal action against the other party remain unaffected.
- 18.6.6 It is not compulsory for the parties to refer the dispute to ICE for adjudication. The parties may, if either party chooses to do so, seek the decision of the Court. However, this process may take longer and may incur further costs. Because, it is a condition of the Tenancy Agreement signed by both parties, Judges may refer the dispute back to ICE for adjudication, if the parties do agree that the dispute should be resolved by ICE: they must accept the decision of ICE as final and binding.
- 18.6.7 If there is a dispute, we must remit to The Deposit Services Limited, the full deposit, less any amount already agreed by the parties and paid over to them. This must be done within 10 working days of being told that a dispute has been registered whether you or we want to contest it. Failure to do so will not delay the adjudication but The Dispute Service Limited will take appropriate action to recover the deposit and discipline us.
- 18.6.8 On behalf of the Owner/Landlord, OCB must co-operate with ICE in the adjudication of the dispute and follow any recommendations concerning the method of the resolution of the dispute.
- 18.6.9 The Owner/Landlord understands that invoices relating to a Tenant(s)' proposed deposit claim, remain the responsibility of the Owner/Landlord until such time as those monies are successfully reclaimed. In the event that monies are not awarded by the Deposit Protection Service, the Owner/Landlord is responsible for payment of invoices and which will be deducted from the next available rent.

18.7 **Owner/Landlord Deposit Indemnity**

By agreeing with this Agreement, the Owner/Landlord warrants that all the information provides to the Agent in this Agreement and at the time a Tenancy Agreement is offered and agreed, is correct to the best of their knowledge and belief.

If the Owner/Landlord provides incorrect information to the Agent relating to a Tenancy Agreement or this Agreement which renders any deposit claim void, or becomes subject to costs or causes the Agent to suffer loss or causes legal proceedings to be taken against the Owner/Landlord and/or the Agent, the Owner/Landlord agrees to reimburse and compensate the Agent for all losses suffered.

18.8 **Agents Deposit Indemnity**

By agreeing to this Agreement, in the event of the Agent not registering the Deposit correctly in accordance with the above or not providing information or completing documents within its power and within the mandatory time line set out by The Deposit Protection Service, the Agent will indemnify the Owner/Landlord against all claims and expenses resulting in the failure of the actions not completed by OCB.

18.9 **Deposit Management**

On registering a Tenancy Deposit, all deposits are transferred to a bonded deposit account with The Deposit Protection Service (DPS) under custodial terms. This means the funds are transferred to the DPS and remain in the control of the DPS until returned by settlement.

OCB will make a charge of £45.00 plus VAT (Forty-Five pounds) for the registration and management of each new Tenancy deposit. The management of a Tenancy Deposit includes, filing of any disputes, negotiating claims and escalating the disputes arbitration process, with supporting evidence, on behalf of the Owner/Landlord.

19. **Rent & Legal Protection Insurance**

- 19.1 You can ask us to arrange for Rent and Legal Protection Insurance as set out in our services. This insurance will be subject to availability in the market and to additional terms and conditions (as set out in the Insurance Terms of Business, Insurance Product Information Document (IPID) and Policy Wording or such other terms as are applicable from time to time). Should the rate of Insurance Premium Tax (IPT) change the fees indicated in the Terms of Business will be adjusted to reflect this change.
- 19.2 OCB are not an insurer nor an insurance intermediary, but we do work with companies and organisations specialising in insurance for rental or tenanted properties. We can on request refer you to appropriate organisations on the understanding that OCB give no warranties whatsoever as to the adequacy or suitability of any quotes or cover we may assist you in obtaining on your behalf.

20. Anti-Money Laundering Regulations

20.1 Anti-Money laundering (AML):

OCB operate in accordance with the Money Laundering Regulations 2017. This means that we **MUST** obtain and hold identification and Proof of Address for all Owners/Landlords.

Additionally, we are also required to establish whether there are any beneficial Owners/Landlords on whose behalf the transaction or activity is taking place. This means you **MUST** disclose and identify anyone who would be a beneficial Owner/Landlord aside from yourself/yourselves and where appropriate, the destination and source of funds requested.

Without this information we will be unable to proceed with any work on your behalf. We have provided a Money Laundering Client Information Leaflet and which has been sent to you under separate cover.

21. Client Money Protection

21.1 Under the terms of the Consumer Rights Act 2015, it is a legal requirement that every Agent provides Client Money Protection for rent and funds held for their clients. Client Money Protection ensures that the money paid and held for Landlord client and a Tenant is safely protected in segregated client accounts, whilst it remains in the custody and control of the Agent.

21.2 OCB is a member of Propertymark Client Money Protection Scheme. Propertymark Client Money Protection Scheme will ensure that the Landlord or Tenant is reimbursed if their Agent goes into administration or misappropriates clients' funds in their control.

Scheme Reference Number: C0137482. Propertymark Client Money Protection Scheme, Arbon House, 6 Tournament Court, Edgehill Drive, Warwick, CV34 6LG.

22. Electrical Safety

Owners/Landlords have a legal obligation to ensure the electrical installation for their properties are safe when a Tenant(s) moves into a Property and maintained in a safe condition throughout the Tenancy. This means the Owner/Landlord is fully responsible for making sure that all electrical circuits, installations and appliances are maintained in a good order and are checked for safety.

The recommended safety inspection period is at least every 5 years or earlier and more frequently if recommended by a Qualified Electrician. NB: There will be a legal requirement for annual inspections and certification for HMO Licensed Property and certain property with Selective License status.

The Owner/Landlord **MUST** provide OCB with a copy of the current Electrical Safety Certificate, including any test Certifications for Portable Electrical Items (PAT) before the commencement of any Tenancy.

If the Owner/Landlord is unable to provide the required certification in a reasonable time period and the Applicant Tenant(s) subsequently withdraws from the proposed Tenancy Agreement, the Owner/Landlord will pay OCB a fee for letting the Property, the equivalent of which as if the Tenancy has proceeded and for the full term of the Tenancy.

As part of our continuing service, without liability, we will assist the Owner/Landlord to secure an Electrical Safety Certificate for the Property and at a cost of £160 plus VAT.

23. Energy Performance Certificate (EPC)

It is a legal requirement that an EPC is received with a minimum Banding Grade "E" for the Property before it can be marketed and advertised "To Let" on the open market.

Additionally, a Tenancy cannot legally commence unless a valid EPC has been provided to Tenant(s) prior to committing to a Tenancy Agreement.

An EPC is valid for a ten (10) year period.

The Owner/Landlord is fully responsible for making sure that the Property has a valid Energy Performance Certificate (EPC).

As part of our continuing service, without liability, OCB can assist the Owner/Landlord to manage this process of arranging an EPC Survey and obtaining a suitable EPC and at a cost of £95 plus VAT. We also have the facilities to download any current EPC from the Government Central Database.
